

Arrowhead / Halifax SCTP Trap League Fun Shoot 2022

Arrowhead and Halifax SCTP teams are joining together to have an SCTP Trap League. The league will run 6 weeks, 5 weeks will count for scores in the league with the last week to be used for makeup targets. This will be a 100 bird a week event. We will be alternating between Arrowhead and Halifax gun clubs. Shooters will be required to shoot 2 events at Arrowhead and 2 events at Halifax. If a shoot needs to makeup an event it will need to be made up at club that it was missed. We will start the league on Sunday October 23 starting at 2:00pm and go thru Sunday December 11. All targets will be shot from the 16 yard line and ATA rules will apply. There will be no shooting ahead. At the end of each Sunday's shooting the league score spread sheet will be updated and sent to the coaches for distribution to individual team members.

At the end of the league, we will total the scores of each SCTP shooter, the totals will determine the 1st, 2nd, and 3rd place winners for each SCTP Class. winner will receive a belt buckle for their achievement.

Non-SCTP shooters who wish to shoot will be scored each week and will be allowed to participate in the weekly Lewis Class prizes. Their targets may also be register with ATA by paying the fees below. Non-SCTP shooters will not be eligible for buckles.

Cost will be \$20.00 per shooter per week, this will cover the club target fees, cover the cost of belt buckles. Any money left over will be split between the hosting teams to go in to the team funds. Each week every shooter will be able to buy into 3 part Lewis class prizes for \$5.00 extra.

You will be able to register your targets with the ATA for an additional \$6.00 fee, \$3.00 at Halifax and \$3.00 at Arrowhead.
